

What comes next?

Song is Putin singing to the American's about Trump and the Russian Scandal

You say the price of the election's not the price you're willing to pay
You fight,
Oh your twitter feed it doesn't seem right
Why so mad?
Remember he made an arrangement when he set this up
You call this foul play?
Remember despite everything here I'm still around
So what comes next? He's been found
You know he's not the only liar around
He's been impeached- awesome wow!
Do you have a clue what happens now?
Oceans rise, empires fall,
It's much harder when it's not your call
All alone I know what I see
When his people say they hate him he'll be crawling back to me!
Da da da da da
Da da da da daya da da da da da daya da.....
Good luck!
